## Helmut König

I am a member of the SV (Verein für Deutsche Schäferhunde e.V., Web: [www.schaeferhunde.de](http://www.schaeferhunde.de) since 1970.

Since that time I'm very intensively involved with the training of German Shepherd dogs. Still up to this date I train and work all my dogs myself. For approximately 10 years I was in charge of the SV office's protection helper training program.

Since 1971 I held positions in the executive committee of my region called Landesgruppe (LG), this includes 25 years of first Chairman. For 14 years I'm a member in the executive committee of the regional committee, 10 years of it as the LG-chairman.

On large SV shows I have handled dogs myself. I am a member of the administrative and financial committee in the SV. Since 1991 I'm a trial judge, since 1995 conformation judge and since 2000 Körmeister (breed survey judge).

I had assignments to judge in performance trials and Sieger Shows in nearly all countries of the WUSV.

In the anniversary year of the SV (100 years) I judged the "B"-part during the Bundessiegerprüfung (trial) in Augsburg. During the Bundessiegerhauptzuchtschau 2000 in Bremen, Germany I judged the female dogs in the performance test. During the Bundessiegerhauptzuchtschau 2002 in Karlsruhe I judged the male dogs of the young dog class (18-24 months).

For 10 years I have worked together with my brother to breed many excellent dogs under the kennel name "vom Schlumborn", among these dogs were Ex and Sipsi who received a VA (Vorzügliche Auslese). Later I had my own breed kennel "vom Königsadler". Also here I succeeded in breeding some top dogs, among other things the dam "Janka vom Königsadler who is the mother of the Weltsiegerin "Ronda of Haus Beck".

I wish all participants good luck and success.
